Subject: FOIA #EPA-R9-2015-007164 - your request for burial at sea information from EPA Region 9 office - a one-week extension is requested

Dear Mr. Wrede,

I have been assigned to take care of this FOIA request from you. The records you are seeking regarding burial at sea activities in the Region 9 jurisdictional area of this office are in Federal Archives. A shipping request for the appropriate boxes has been made. The boxes may arrive by the end of next week, before I am out of the office during the week of June 8-12; however, I have been told that there is no guarantee of the delivery date. While I expect to be back in the office on the due date of your request, the examination of the boxes and files is not likely to be complete. Therefore, I am requesting a one-week extension for me to complete the examination of files and to compile the information you seek. Please let me know if this one-week extension is acceptable to you.

Thank you for your attention to this matter.

Best regards,

Allan
